Thanks very much, Howard! I'll get your open times to Carolyn and see if she can get any info on specific "questions" the Committee staffers want discussed. Will get back to you asap.

Sandy,

I'll do the call. I have meetings between 9:00 and 11:00 Monday morning, but am free from 11:00 to 1:00, or we could shoot for 8:00.

Thanks,
Howard

Howard -- We have our first congressional staff briefing request regarding the news release yesterday. Would you be agreeable to do this call on Monday morning? Would you like to suggest someone else?

Many thanks,
Sandy

Hi Sandy,

Per my vm, and below, House Energy and Commerce minority staff are asking for a conference call (we have since agreed to Monday a.m.) Laura Vaught defers to Howard Cantor to either cover the call or to

delegate/decide who else should participate. Can you check his availability and preference?

Thanks!

Hi Carolyn,

It looks like Pamela Janifer is out today. Are you available for a call to discuss the investigation?

Best,

Eleanor
